September Showcase

WRITTEN BY KARI SANTOS, ACTIVITY DIRECTOR

As September arrives, fall leaves start to blow. Kids return to school. Football games over the weekend. We'll be celebrating the Iowa vs State game in style with the Classy Chassy Car Show and tailgate here at Stirlingshire. On Thursday, September 9th, from 3:00 - 6:00 p.m. Come join us for beautiful cars and to support your favorite Iowa team. September is a huge month of celebrations here. The car show will also kick off assisted living week and grandparents day. Following that up is the Walk to End Alzheimer's on September 19th, 1:00 pm at City Park. We encourage all of our family and friends to join us on the walk. It is a cause that is very near and dear to our hearts. To sign up in advance please visit: <http://act.alz.org/goto/stirlingshire>

Notes From The Director

FROM TRACY, EXECUTIVE DIRECTOR

The first two months of being at Stirlingshire have flown by! We had several successful (although hot) events that I hope you enjoyed! It has been a joy getting to know everyone here from residents to families and staff!

School has started, and the weather will soon be getting cooler. There will be changes happening here at Stirlingshire as well. I am sad to announce that Anne Alms, our Outreach Director will be moving out of state therefore leaving Stirlingshire. Anne has done an amazing job here and she will be missed tremendously! We wish her the best of luck in Florida!

Danielle Helgersen will be the new Outreach Director and will be starting at Stirlingshire in mid-September. Danielle brings a wealth of knowledge in the Marketing and Outreach arena, and I am looking forward to everyone meeting her.

We have many more exciting events planned, so we hope to see you there!

A graphic with a red, textured background. At the top is the Ebenezer logo, which consists of a white circle containing a plus sign, followed by the word "EBENEZER" in a white, serif, all-caps font. Below this, the words "COVID-19 UPDATES" are written in a white, bold, sans-serif, all-caps font.

EBENEZER COVID-19 UPDATES

Visitor Guidelines

FROM YOUR
CLINICAL HEALTH
TEAM

Stirlingshire of Coralville is open to having visitors and guests. Upon your arrival please stop at the reception desk to complete a COVID precaution check in. At this time we ask that you wear your mask in all common areas of the building. If you are feeling ill we ask that you postpone your visit for the health of our residents.

Family Updates

Dear Family and Residents,

Currently, we are very, very thankful for the vaccines that are keeping us COVID-19 free. We also give credit to ongoing infection control protocols and to our wonderful staff. We'd like to remind everyone to continue practicing good hand washing as we are seeing a rise in the variant strain, Delta across the nation and beyond. Thank you all for doing your part to keep us safe.

We've been able to re-open our communities more and more. We are enjoying the fact that we get to see family and friends, and most of all that we get to see our residents' smiling faces as they participate in social activities.

Who to contact

Once you join the Stirlingshire family, you have a whole team of experts here to help you and your loved ones. Please reach out and get to know us.
